To Whom It May Concern,

This letter is a testimonial based upon why as the owner of Hutt Trucking Co. we contracted Corporate Funding, Inc. and its CFO Consulting Services.

We utilized their CFO Consulting Services to develop company wide financial projections and cash flow analysis that specifically aided our management in understanding our company's financial needs for the next 18 months.

Based upon the specific information provided by Corporate Funding we then had them develop a financial presentation so we could go to the banking community and request the necessary investments to fund our current and future financial needs.

In summary the financial package that we presented to the banks allowed them to clearly understand the financial / cash flow needs of our companies which in turned allowed the banks to underwrite in a efficient and timely manner. Our company was able to close on a loan package in excess of \$2,000,000 which included working capital, real estate and equipment lines.

We very much would recommend their CFO Consulting Services.

Sincerely Yours,

A handwritten signature in black ink that reads "J. Hutt".
